EMPLOYMENT HISTORY

Dec 2021 — Jan 2023   ### Javascript Tutor, North Island College   Comox

- Conducted personalized tutoring sessions, enhancing peers' understanding of coursework and assignments.
- Effectively communicated and tailored tutoring approaches to diverse learning styles.
- Contributed to the academic community by actively promoting tutoring services and engaging in collaborative workshops.

Jan 2020 — Jul 2020   ### Angular Developer, Applifting s.r.o.   Prague

- Collaborated with developers and designers to create a bidding application for Alpiq Energy SE, demonstrating strong teamwork and project coordination skills.
- Proficient in building responsive single-page applications using Angular, incorporating flexible layouts with flex, and ensuring code quality with technologies like SASS and ESLint.
- Contributed to the development of innovative web solutions, combining technical expertise with a focus on user experience for optimal application performance.

May 2019 — Mar 2020   ### Trainee (DevOps), Raiffeisenbank, a.s.   Prague

- Implemented and optimized CI/CD pipelines, integrating tools such as Jenkins and Bitbucket to streamline development processes.
- Designed and developed a robust web reporting application for project managers using PHP (Nette) and Angular (Node.js), leveraging technologies like Angular Material, Bootstrap, and Sass.
- Gained hands-on experience in building tools and processes, contributing to the efficiency and automation of software development workflows.

Jan 2019 — Jun 2019   ### Junior PHP Developer, Residit s.r.o.   Prague

- Designed and implemented client solutions using Nette(PHP), Netbeans, and phpMyAdmin, showcasing proficiency in creating robust web applications.
- Developed models within an MVC architecture, implementing business logic to meet and exceed project requirements.
- Demonstrated technical competence in PHP development and utilized essential tools like Netbeans and phpMyAdmin to streamline the coding and database management processes.

EDUCATION

Sep 2023 — Apr 2025   ### Computing Science (BSc), Trinity Western University   Langley

Sep 2021 — Apr 2023   ### Advanced Digital Design and Development Diploma, North Island College   Comox

Mar 2021 — Nov 2021   ### UX Design Certificate, Tamwood College   Vancouver
